**Re: In Re: New York City Policing During Summer 2020 Demonstrations,  
20 Civ. 8924 (CM)(GWG)**

Dear Judge McMahon:

As the Court may recall, my firm (with co-counsel) represents the *Rolon* Plaintiffs in the consolidated cases above. I write regarding the Court's Order setting oral argument on the pending motion to vacate the settlement (ECF No. 1141), to request that the Court provide a call-in number to allow all necessary attorneys of record in the matter and the public to attend.

As the Court knows, the number of lawyers in this case is quite large, as is the public's interest in this matter. But, as the Court noted in its order for the initial pretrial conference, it would not be possible to fit "all the members of the public who would want to be present at this conference, even with an overflow courtroom." ECF No. 30. Indeed, at the conference, it was also difficult to seat even the restricted number of attorneys to counsel's table. To accommodate all those interested, and ensure that all necessary counsel can listen, we ask that the Court have a dial-in line open.

As always, we thank the Court for its time and attention on these issues.

Respectfully submitted,

/s/

J. Remy Green
